EDUCATION

M.Sc Information Technology
M.O.P Vaishnav College for Women
2025 – 2027

B.Sc Mathematics
M.O.P Vaishnav College for Women
2022 – 2025
Score : 85%

Higher Secondary Education
KRM Higher Secondary School
2020–2021
Score : 70%

TECHNICAL SKILLS

Programming: Python, Java (Basics)
Concepts: Data Analysis, Statistics, Machine Learning Basics
Tools: MS Excel, Word, PowerPoint
Interests: Artificial Intelligence, Cybersecurity, Data Science

LANGUAGES

English
Tamil

SOFT SKILLS

- Leadership
- Critical Thinking
- Problem Solving
- Team Collaboration
- Communication Skills
- Adaptability
- Time Management
- Analytical Thinking

ABOUT ME

Motivated MSc Information Technology student with a strong background in Mathematics and analytical thinking. Passionate about data science, machine learning, and cybersecurity, and interested in solving complex problems using technology.

ACADEMIC & RESEARCH PROJECTS

- **Research Internship Project – Wind Distribution Analysis in Tropical Cyclones Using Satellite Data** Regional Meteorological Centre – 2023
 - Analyzed gale wind distribution in tropical cyclones using satellite wind data
 - Studied cyclone structure and wind patterns in the Bay of Bengal
 - Performed data interpretation to understand cyclone behavior
- **Paper Presentations**
 - Hybrid Machine Learning Framework for Zero-Day Phishing Detection – ICCCMIT Conference
 - AI-Driven Cyber Attacks & Defense Mechanisms for Intrusion Detection – CyberX Intercollegiate Event, University of Madras
- **Certifications**
 - ICCCMIT Conference – Paper Presentation Certificate
 - CyberX Intercollegiate Paper Presentation – University of Madras
 - Legal Literacy Drive – Online Quiz on Cyber Laws
 - MSE Programming Course – Apollo Computer Education
 - Financial Literacy Course – Department of Mathematics
 - First Aid Certification
- **Awards & Achievements**
 - Special Prize Certificate – Extraordinary Contribution to the Department OF Mathematics
 - Second Place – Poetry Writing Competition (Founder's Day)
- **Relevant Coursework**
 - Artificial Intelligence for Business
 - Fundamentals of Data Science

LEADERSHIP & ACHIEVEMENTS

- Class Representative – Served for two consecutive years during BSc Mathematics (UG) and currently serving as Class Representative for MSc Information Technology (PG) at M.O.P Vaishnav College for Women.
- Executive Member & Event Manager (UG) – Organized and managed college club events, coordinating activities and supporting event execution.
- Appreciation Certificate – Recognized for active participation and contribution to college programs during both undergraduate and postgraduate studies.
